

<div><div><div>Cornell Notes</div><div></div></div></div>	Unit 3 Cultural Patterns and Processes	Name:
	Chapter 7: Cultural Change	Class/Period:
		Date:
7.1 Cultural Diffusion		
Questions:	Relocation Diffusion (Diffusion, Cultural Hearth, historical diffusion methods, current diffusion methods, African diaspora, Great Migration)	
	Expansion Diffusion	
	Contagious Diffusion (Disease, slang)	
	Hierarchical Diffusion (urban>big city>mid-size city>small town, reverse hierarchy blue jean example)	

	Stimulus Diffusion (John Deere plow)
	Text box at top of page 182. Cultural Diffusion online.
	A Mix of Diffusion Types
	1. Explain how relocation through forced migration might differ from relocation diffusion through voluntary migration.
	2. Introduced by Italian immigrants, pizza spread from Italian neighborhoods of NYC outward to every corner of America. Explain how this spread represents both relocation and expansion diffusion.
	3. Compare the three types of expansion diffusion and explain how each is affected by wealth and power.

D Cornell Notes 	Unit 3 Cultural Patterns and Processes	Name:
	Chapter 7: Cultural Change	Class/Period:
		Date:

7.2 Processes of Cultural Change

Questions:	Historical Causes of Diffusion
	Colonialism and Imperialism (spread of European culture, Dutch colonies in present day South Africa, European imperialism in Africa through the Berlin Conference, British imperialism in India)
	Military Conquest (Alexander the Great spread of Greek culture, Spanish conquest, English as a lingua franca, and creolization)
	READING MAPS. Study the map of Africa on page 186. Explain how the map illustrates cultural diffusion and its impact on Africa during European colonization.

[illegible]

	Contemporary Drivers of Change (main processes driving cultural change today)
	Globalization (Small scale, broader scale, spread of hip-hop music and influence on Korean musicians)
	Urbanization
	Migration (Muslim culture in European countries)
	Technology (Internet, smartphones, social media, global news channels, and the risks of a uniform/homogenous culture)
	Cultural Convergence (Hispanic culture spread to the USA)

Cornell Notes 	Unit 3 Cultural Patterns and Processes	Name:
	Chapter 7: Cultural Change	Class/Period:
		Date:

7.3 Consequences of Cultural Change

Questions:	Acculturation (Immigrants speaking Spanish to children at home, Muslim women immigrants to a Western country)
	Assimilation (US Government removal of American Indian children to boarding schools, requirements for immigrants to Germany, European immigrants to the USA in the 1800s, negative consequences of assimilation)
	Syncretism (what circumstances are most likely to cause it, Santeria in Cuba, Bluegrass music)
	Multiculturalism (In the USA, policy in Canada and positive effects there, collectivist cultures)

[illegible]
